

TOM ZAWACKI

STAND-UP COMEDIAN, ACTOR & WRITER

CAN I WATCH HIS STAND-UP?

Heck yeah you can. [Go to town over here.](#)

SO WHO IS THIS GUY?

Tom Zawacki is a Los Angeles based stand-up comedian, actor, and writer seen on shows like *The Good Place* and *Hacks*, and in the films *We Broke Up* and *Psycho Sleepover* (yes that's a real movie).

Tom hosts a monthly comedy show called *Would You Rather*, has written a dark comedy feature film, and yes that's his real hair.

WHAT IS THIS WOULD YOU RATHER SHOW?

Tom hosts his version of the game *Would You Rather* with a different comedian or celebrity guest. Tom makes his guests uncomfortable for an hour, as he has them spin a wheel to answer horrible or silly questions under horrible or silly categories, all for the amusement of Los Angeles.

After doing stand-up at the top of the show, Tom riffs for the rest of the hour with comedy greats like: Paul Scheer, Paul W. Downs, Andrea Jin, Jim O'Heir, Moshe Kasher, Jenny Zigrino, Joe Mande, J.P. Manoux, Ketra Long, Max Silvestri, Chris Fairbanks, Natalie Plaza, Madison Sinclair, Seth Morris and Brian Huskey.

Yeah but, what is it? Fair. Watch this short [clip reel](#) and you'll understand. If you want to see more than that, watch the full hour show with the multiple Emmy winning showrunner of *Hacks* [Paul W. Downs right here](#). *Would You Rather* has been going strong since September 2022.

HOOR SPECIAL?

Tom doesn't have an hour stand-up special yet but he does have something adjacent to the next best thing. After many shows with the comedy titans listed above, Tom continually received requests from audience members to come on stage and play the game. So finally, he let them. What transpired was over an hour of Tom improvising with multiple audience volunteers. [You can watch The Audience Volunteers Show here](#). It's over an hour and one unbroken shot (no edits). How impressive, someone should represent this guy.

HE ALSO WRITES?

Yup. In addition to meticulously crafting his stand-up, all of the questions for his *Would You Rather* show, and whatever this thing is in third person, Tom has also written a feature film called: *I DARE YOU TO NAME A MORE PERFECT COUPLE*. It's about a struggling comedian in a fragile relationship, with career success finally in sight, if he can successfully navigate an unexpected tragedy. Sounds intriguing right? Good, that was intentional.
