

# TOM ZAWACKI

STAND-UP COMEDIAN, ACTOR & WRITER

## SO WHO IS THIS GUY?

Tom Zawacki is a Los Angeles-based stand-up comedian, actor, and writer seen on shows like *The Good Place* and *Hacks*, and in the films *We Broke Up* and *Psycho Sleepover* (yes that's the actual title).

He hosts a monthly-ish comedy show called *Would You Rather*, has written a dark comedy feature film, and yep his hair just does that.

## CAN I WATCH HIS STAND-UP?

Heck yeah you can. [Enjoy this set right over here.](#)

## WHAT IS THIS WOULD YOU RATHER SHOW?

Tom hosts his version of the game *Would You Rather* with different comedians and celebrity guests. He makes his guests uncomfortable for an hour, as he has them spin a wheel to answer horrible or silly questions under horrible or silly categories, all for the amusement of Los Angeles.

After doing stand-up at the top of the show, Tom riffs for the rest of the hour with comedy greats like: Paul Scheer, Brian Moses, Andrea Jin, Paul W. Downs, Jim O'Heir, Moshe Kasher, Jenny Zigrino, Jon Daly, Flula Borg, Carmen Christopher, Joe Mande, Max Silvestri, Ketra Long, Chris Fairbanks, Madison Sinclair, J.P. Manoux, Seth Morris, Brian Huskey, Katie Marovitch, Ify Nwadiwe, and Greg Fitzsimmons to name a bunch.

Yeah but, what is it? Fair. Watch this [clip reel](#) and you'll understand. If you want to see more than that, watch a full hour show with multiple [Emmy winning showrunner of Hacks Paul W. Downs right here.](#) *Would You Rather* is now at The Lyric Hyperion (Bar Lubitsch shown above).

## HOOR SPECIAL?

Tom doesn't have an hour stand-up special yet, but he does have something adjacent to the next best thing. After many shows with the comedy titans listed above, Tom continually received requests from audience members to come on stage and play the game. So finally, he let them. What transpired was over an hour of improvising with multiple audience volunteers. [You can watch The Audience Volunteers Show here.](#) It's over an hour and one unbroken shot (no edits). How impressive, someone should really represent this guy.

## HE ALSO WRITES?

Yup. In addition to meticulously crafting his stand-up, all of the questions for his *Would You Rather* show, and this document in third person, Tom has also written a feature film called:

*I DARE YOU TO NAME A MORE PERFECT COUPLE.* It's about a struggling comedian in a fragile relationship, with career success finally in sight, if he can successfully navigate an unexpected tragedy. Sounds intriguing right? Good, that was intentional.
